SHANE

Breed: AMERICAN PIT BULL TERRIER

Location: HOUSTON, TX

Age: 2-3

Sex: Male

Spayed/Neutered: Yes

Description: Meet Shane the magnificent! He was a cruelty seizure because his former owners were starving him to death. But he has "beefed up" nicely and is now strikingly handsome.

Shane has a playful, gentle, sweet disposition - and TONS of energy! He has been trained in basic obedience & is extremely intelligent.

However, CATS ARE A BIG NO NO!! Due to his strength and boundless energy, he would be best suited in a home without small children.

Do you have room in your home and heart for Shane?
